ComRep Awarded Service of Excellence

Toronto, Canada - May 24th 2018, The EDAC Group of Companies, a global leader in the design and manufacture of interconnect products, has awarded ComRep Electronics with the Manufacturer's Representative, Service of Excellence Award.

EDAC is proud to recognize ComRep's valued service in representing and promoting EDAC products in their local marketplace for over 20 years. ComRep's dedicated team offers excellent local support in the Dixie States as well as promoting both EDAC standard and custom interconnect solutions to the OEM Industrial market, in addition to supporting our Distribution partners within this region.

Eric Vroom, President of ComRep stated, "On behalf of everyone at ComRep, we are honored to receive this award. Our association with EDAC is one of our longest standing principal engagements and we very much value this relationship. EDAC is very flexible and we appreciate their willingness to engage in custom designs and provide solutions for our customers here in the South East United States".

Kobie Samuels, Business Development Manager, Americas commented "This is another great accomplishment and 2nd award for ComRep since representing EDAC. We are delighted in the organic growth with existing customers and see positive going forward."
